2018's AGM in Cape Town, South Africa was a meeting to remember. In a city founded on expanding horizons and building relationships, we continued that tradition with our network members.

The network AGM is the best place to put faces to the names you see on our member directories, adding that personal touch that often gets lost in the noise of the industry.

This year, in the heart of Bangkok, is the ideal time to open your little black book and add more connections than ever before. After all, the art of moving cargo is about teamwork and the bigger your team, the easier the task becomes.

Investing in your network is investing in your business, expanding your reach to attract more business and deliver the levels of service to keep existing clients.

Whether you are new to the network or an old hand, we invite you to take the opportunity to get your name onto the preferred partners list all while enjoying the buzz of one of the oldest trading ports in the world.

# About Bangkok, Thailand

Welcome to Bangkok

A bustling multi-cultural metropolis that straddles the world famous Chao Praya river. Constantly growing and evolving whilst proudly in touch with it's history. Attracting visitors from across the world since the 15th century, this city thrives under the Thai heat and never goes to sleep.

One Night In Bangkok...

Of all Thailand's cities, Bangkok at glance seems out of control. But stay awhile and you will begin to enjoy it. Bangkok wears many crowns. It is an epicenter, trendsetter, culinary capital, and a vibrant, multicultural and visually captivating metropolis.

The door is open 24/7 as it welcomes guests from around the world, which is why it has always been looking proudly over its civilized city, energetic Bangkokian and unbeatable dining options. Settled 230 years ago, Bangkok has never lost touch with its roots. The creation of shopping malls, high-rise buildings and unceasing innovation can't stop the city from guarding its inestimable treasures of Thai cultural heritage. Bangkok keeps its pace slow and balances the rush with majestic palaces, gleaming Buddhist temples and public parks and green spaces.

Street food in Bangkok is something that all foodies give the thumbs up for with its spectrum of flavours and mouth-watering aromas. The fine dining options are second to none with no end of upscale restaurants, rooftop bars and, of course, five-star services, which reflect the amiable and courteous manner of the Thai people.

Bangkok is a sea of temples and pagodas. Many places to visit in Bangkok are ancient ruins that remain in favor among those history lovers in the know. Starting off with Wat Pho (Temple of the Reclining Buddha), which is famed for its traditional Thai massage school and is Bangkok's oldest temple. And across the Chao Phraya River is where the Wat Arun (Temple of Dawn) located. Whoever is on the boat ride along the Chao Phraya river can't overlook its grandiosity.

Lumpini Park in Bangkok highlights the fresh and rare natural ambience of green park that city dwellers can take a rest.

The Chao Phraya river that runs through the heart of Bangkok, as indispensable part of the city, is where two prominent tourist destinations located and are listed in any Bangkok travel guide. Asiatique and Tah Maharaj are iconic shopping arenas alongside the Chao Phraya river and define how riverfront restaurants should be like. Varied in location, the two structures have one thing in common, restaurants fronting Bangkok's veritable lifeblood, the Chao Phraya river.

Bangkok as a shopping destination is hard to beat and shopping is a necessity in this Bangkok travel guide. This dense metropolis has the number of shopping outlets going along with the number of shopping hunters fighting over from elusive bargains to high-end items. Shopping is one of the things to do in Bangkok that all compulsive shoppers do not hesitate to repack and update their wardrobe.
